March 13 - Trump Belongs to Jewish Supremacist Cult

March 13, 2025

Trump signalled his membership in Chabad by visiting the grave of Chabad Rebbe Menachem Schneerson on Oct 7, 2024, to commemorate the Hamas false flag intended to kick off WW3.

With Trump, Commerce Sec. Howard Lutnick and Ben Shapiro, both Chabad members.

The Trumperor has no clothes! He is a crypto Jew, imposter and traitor.

Trump, Netanyahu and Putin all belong to Chabad, a cult that is realizing a Jewish Prophecy that requires a "social catastrophe" in order to summon the Jewish Messiah.

The goal of Chabad is to exterminate Christians and any who refuse to worship them.

This is your President.

Organized Jewry and Freemasonry are organizing the third Masonic Jewish World War aimed at exterminating all those who refuse recognize them as God, including assimilated Jews. Sorry to harp on this but civilization is at stake!

Noahide Laws--The United States has endorsed the slaughter of Christians!

Trump's Role is to Discredit MAGA and Everything it Represents: Patriotism, Christianity, Racial Pride and Family.

Massie Donations Pour In - Jewish Group Vows To Help Trump Oust Him

<https://www.zerohedge.com/political/massie-donations-pour-jewish-group-vows-help-trump-oust-him>

President Trump's social-media tirade against hard-line deficit-hawk Thomas Massie has had a big effect -- but not exactly the one Trump wanted. Since Trump's late-night tantrum in which he called for the Republican congressman to be ousted via a primary challenge, the Kentucky congressman has raked in more than \$200,000 in donations. That huge and growing windfall comes as the Republican Jewish Coalition promised to help make Trump's dream of a Congress without Massie come true.

Massie provoked Trump's wrath on Sunday, when he vowed to vote against a continuing resolution (CR) that would fund the government through Sept 30 -- but without spending cuts. "Why would I vote to continue the waste fraud and abuse DOGE has found?" wrote Massie on X. "We were told the CR in December would get us to March when we would fight. Here we are in March, punting again!"

Or to be more precise, why are those long-secret JFK records still secret? What's up with the delay, President Trump?"

Cornerstone Article to the Reading of Winter Watch: The Tavistock Method of Brainwashing and Social Psychiatry

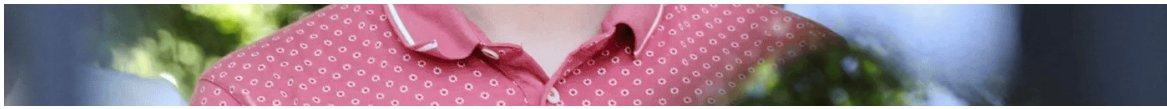

<https://www.winterwatch.net/2025/03/the-tavistock-method-of-brainwashing-and-social-psychiatry/>

From 1930 to 1933, Kurt Lewin (1890-1947) studied psychology and sociology at the University of Frankfurt (aka The Frankfurt School) in Germany and became director of Tavistock Institute in 1932. Drawing on the quackery of Freud, Lasswell, Leonard Doob and others, Lewin examined the psychology and power of suggestion created by stimuli and stimulus situations.

Tavistock's projects were a followup on the work of the Frankfurt Institute for Social Research, which focused on the study and criticism of culture developed from the thought of Sigmund Freud.

"A few years ago, I delivered a message entitled The Talmud, Chabadism And Noahide Laws. (This is my second most requested and most viewed of all of my messages, by the way.) I now quote from

this address:

Every president since Jimmy Carter in 1978, including Donald Trump, has signed this public law instating Noahide Laws and Chabadism in the United States.

Jewish Noahide Law calls for the death of anyone practicing idolatry (anyone who worships the Lord Jesus Christ is an idolater according to Noahide Law), blasphemy (this was the charge the Sanhedrin used against Christ), sexual immorality (according to Talmudic law) and stealing (from Jews--but it is perfectly permissible for Jews to steal from the Goyim); it also obligates non-Jews to set up courts to carry out these Talmudic executions.

Rabbi Schneerson, whose birth is commemorated, stated that, according to Jewish law, non-Jews have no other purpose than to serve Jews who are the reason for creation.

Trump's daughter Ivanka is a Chabad-Lubavitch cultist (as is her husband Jared Kushner), she prays at Rabbi Schneerson's grave and has been blessed by Rabbis who demand non-Jews (Goy) follow the Noahide Laws and refer to them as "animals."

As a closet Chabadist, Donald Trump follows the laws of Maimonides by constantly not paying back loans and investments. He declared bankruptcy 7 times and each time was bailed out by fellow Chabadists."

Trump's Role is to Discredit MAGA

March 12, 2025

Defense Secretary Pete Hegseth was so moved when he visited the Al-Aqsa mosque that he vowed the present mosque holy site must be torn down, and the

Third Jewish Temple built.

Hagopian: "If it doesn't go nuclear, the Eastern powers will decisively defeat the depleted West. But then tragically, that's the bloodline gatekeepers' evil endgame objective all along."

Makow: "*Think about it folks. Trump is pitting the US against almost two billion Muslims. Islam is the second largest religion in the world. Christianity is the largest.*"

Who could be setting these two at each other's neck??

Trump's role is the same as Hitler's: to discredit everything he supposedly represents - Christianity, Nationalism, Race and Family.

Initially, Trump will garner support by popular measures. But finally, like Nazism, MAGA will be discredited when America is in ruins and Chinese troops are in the streets."

Trump, Netanyahu and Putin all belong to Chabad, a Jewish cult that is realizing Biblical Prophecy that requires a "social catastrophe" in order to summon the Jewish Messiah. The goal of Chabad is to exterminate Christians and non Satanists in general. This is your President.

This sounds outrageous but if you read my latest book, you'll see that it is Their Play Book

Similarities between Trump and Hitler

Both are crypto Jews

Both are Rothschild agents

Both saved their countries from Communism

Both are funded by Zionists and support Israel

Both promote and carry out genocide

Hitler demanded Lebensraum. Trump wants to annex Canada and

Greenland.

Hitler was Time Man of the Year in 1938. Trump in 2024.

Both are mandated with starting a world war.

-----The Jewish Plot to Destroy Christian Civilization

Joachim Hagopian, The Stage Is Set: Apocalyptic Countdown to One World Government

by Joachim Hagopian
(abridged by henrymakow.com)

Donald Trump's a stooge for the Greater Israel Project, owned and operated by the City of London Rothschild bloodline founder of Israel. His assembled Synagogue of Satan crew is the most pro-Israel cabinet in all of US history, and in the near two months since he's taken office, he's clearly demonstrated he's **Make Israel Great Again** and as a fraud not a MAGA man at all.

Look at his Defense Secretary Pete Hegseth, who was so emotionally moved when he visited the site in Jerusalem where today's Al-Aqsa mosque stands, not in any deference whatsoever to Islam's third holiest site, but only in his unholy Zionist resolve that there is only a one state solution - Israel, and that the present mosque holy site must be torn down, and the Third Jewish Temple built. After all, it's not called the Jews' Temple Mount for nothing. Hegseth sayeth:

If you walk the ground today, you understand there is no such thing as the outcome of a two-state solution. There is one state. And as you stand there, you can't help but behold the miracle before you. And it got me thinking about another miracle that I hope all of you don't see too far away. Because 1917 was a miracle. 1948 was a miracle. 1967 was a miracle. 2017, the declaration of Jerusalem as the capital, was a miracle. And there's no reason why the miracle of the re-establishment of the temple on the Temple Mount is not possible.

In a December 2024 article called *"The Real Jewish Problem: Khazarian Mafia Rule Earth through Deception & Destruction, Part 1,"* I unmask this unholy agenda of building the Third Jewish Temple at Jerusalem's Temple Mount, based on the fraud that it's not even the original location of the first two temples. Zionists not only in Israel but around the globe, including the Zionist Christian majority in the United States, are all convinced that Middle East Armageddon, plotted and predicted by top Freemasons in 1871 as the coming Zionist versus Islam WWIII, will bring back the Messiah.

To the Christian Zionist faithful they insist it will deliver the return of Jesus Christ, while the Jews having killed their own in Jesus, are banking on their Jewish Mashiach's return, no doubt the same one that the Donald, his daughter Ivanka and her husband Jared all pray at - Lubivitcher Rebbe Menahem Mendel Schneesohn's. Regardless of belief or which messiah allegedly returns, tearing down Aqsa mosque is their wet dream agenda come true as it is certain to trigger Armageddon, and that's what they're all salivating over.

The week after Trump's November election victory, as he surrounded himself with Israel-approved Zionists one and all, I wrote an article entitled *"Synagogue of Satan Owns Trump and his Administration,"* exposing his Greater Israel Project dream team two days ahead of the ominous Al Jazeera Hegseth quote above cautioning America and world on Israeli Firster war hawk #1 Hegseth.

**Karoline
Leavitt,
Trump**

spokeswoman wears a cross!

As a Fox News host, this same Zionist zealot Hegseth actually went on a dangerous rant singing the praises of Armageddon, fanatically urging and imploring the US to commit pre-emptive first strike attack against Israel's archenemy Iran: *What better time than now to say 'we're starting the clock, you've got a week, you've got X amount of time before we start taking out your energy production facilities. We take out key infrastructure, we take out your missile sites, we take out nuclear developments, we take out port capabilities.*

Trump and his fellow loose cannon fanatics saturating his cabinet like RFK Jr proclaiming last week the latest health crisis to be "antisemitism," are taking us straight to World War III against Iran, the Middle East nation militarily and strategically aligned in unity with the two other Eastern global powers Russia and China. Responding to the three US Eastern adversaries' "Security Belt-2025" as their joint military exercises kicking off this week at an Iranian port, the cocksure Trump beat his chest:

We're stronger than all of them. We have more power than all of them.

With Trump's "good cop" peace efforts to end the Ukraine war, now completely upended by Euro "bad cop" lunatics - the EU, NATO, UK, France, Italy and Germany, a Third World War in Europe appears imminent. Writing for Global Research 11 years ago, I saw this war eventually coming in an article titled *"Global Militarization, the East-West Divide and the March towards World War III."* **If it doesn't go nuclear, the Eastern powers will decisively defeat the depleted West. But then tragically, that's the bloodline gatekeepers' evil endgame objective all along.**

Continues

Joachim Hagopian is a West Point graduate, former Army officer and author of "Don't Let the Bastards Getcha Down" exposing a faulty US military leadership system based on ticket punching up the seniority ladder, invariably weeding out the best and brightest, leaving mediocrity and order followers rising to the top as politician-bureaucrat generals designated to lose every modern US war by elite design.

We need a return to journalistic standards.

I was a newspaper reporter during the 1970's. I learned that the essence of the story should be in the first paragraph. W-5 Who, what, where, why, when.

Now that more people are watching videos than reading, this principle has been lost. At least half the time, the title is clickbait. The subject of the title is not addressed until deep into the video if at all. *Instead of clickbait, the title should reveal the content.*

Newspaper headlines are like a quiz. Guess what? Guess Who? When? Where? Why?

The [Daily Mail Online](#) is the worst offender.

Here are examples of clickbait.

TUCKER JUST LEAKED THE FINAL U.S. GOVERNMENT SECRET THAT NO ONE WAS SUPPOSED TO KNOW!!!

Just say what it is. Give the content in the title. People will keep watching instead of giving up in frustration.

Often the video is a lie. Citizen journalists are replacing the MSM which is now propaganda. But many of these citizen journalists are just trying to get clicks which means money. Often the claim in the title is FALSE. I.e Secret service director resigns. Well she hasn't yet. Or - **Chinese Troops At Ukraine Border** Lies.

Whether it's an article or a video, people act like they're paid by the word (or click.)

If you can say it in five minutes, don't take ten. And say it right away. Writing is for communication, not self-aggrandizement.

YouTube has been overrun by carpetbaggers.

The Key to Good Writing

(Updated from July 22, 2024)

By Henry Makow PhD

The key to good writing is to *consider your audience*.

Recently a feminist sent me a long angry diatribe.

I replied: "Why would I read this once I figured out it wasn't praise?"

People expect you to read their thoughts just because they took the trouble to write them down.

Communication is not the same as self-expression. If you need to express yourself, keep a diary.

In communication, your reader *must want* to read your work! You must have *something original* to say. You must write in an inviting and compelling way.

Put yourself in the reader's position. He doesn't have much time or patience. He's looking for something that will inform, empower or uplift him.

You must pique his interest immediately and convey your message quickly. State your argument in the first paragraph!

The most common mistake is over-writing due to insecurity and the mistaken notion that articles must be long.

Keep it short! Weed out unnecessary words.

The Internet is a very competitive environment. There is a plethora of good, free material. To compete, you must be as *quick, easy and engaging* as possible.

George Bernard Shaw said. "Have something original to say and say it in the shortest, most candid, straight-forward way possible."

If you're guileless, there is no reason to be nervous.

Ideally, you'll be passionate about your information and your sincerity will be felt.

CLEAR WRITING

Clear writing requires clear thinking. If your message isn't clear to you, it won't be clear to your reader.

State your argument and give a few proofs. Don't cite a lot of evidence and expect your reader to discover your point.

(The reader wants your conclusions; he doesn't need your thought process. He will either accept or reject your views.)

Ideally, convey your message in the title and first paragraph so the reader can decide whether to read your piece. Write in a linear way, one-thought-per sentence.

Never repeat yourself, (as I am doing now!)

Good writing requires **rewriting**.

If you can, put the work away and look at it again over a few days.

None of this will stop the New World Order but it will enable us to communicate effectively.

Louis T. McFadden - To MAGA, Americans Need to Celebrate Their Patriots

March 11, 2025

It [the depression] was not accidental. It was a carefully contrived occurrence worked out as one works out a mathematical equation. The international bankers sought to bring about a condition of despair here so that they might emerge as the rulers of us all.

— Louis Thomas McFadden —

AZ QUOTES

A US Rep. for 30 years, Louis T. McFadden struck at the heart of Jewish Power. Look at all the thanks he got.

Source

**By Richard C Cook, credit Dave Martin
(henrymakow.com)**

He might not have been a notable anti-Zionist, because in 1936 the future of Palestine appeared to be only Britain's concern, not America's. But he had certainly made himself a major enemy of powerful Jewish leadership in the country. We are speaking of the Republican Representative Louis T. McFadden of Pennsylvania. He had begun his career as a bank teller and had risen to the presidency of the First National Bank of Pennsylvania. He had also been the treasurer and the president of the Pennsylvania Bankers' Association. First elected to the U.S. House of Representatives in 1914, he had been returned to Congress for nine consecutive terms, having run unopposed in 1932. However, in 1934 he was defeated by a Democratic opponent.

What happened? The following passage from his Wikipedia page will give you a pretty good idea:

McFadden later became a "vociferous foe of the Federal Reserve", which he claimed was created and operated by Jewish banking interests who conspired to economically control the United States. In a speech in the House of Representatives in December 1931, McFadden accused Paul Warburg, one of the leading forces behind the Federal Reserve Act, of "having engineered the great depression."

The Federal Reserve is one of the most corrupt institutions the world has ever seen. There is not a man within the sound of my voice who

does not know that this nation is run
by the international bankers.

— Louis Thomas McFadden —

AZ QUOTES

On June 10, 1932, McFadden made a 25-minute speech before the House of Representatives, in which he accused the Federal Reserve of deliberately causing the Great Depression. **McFadden also claimed that Wall Street bankers funded the Bolshevik Revolution through the Federal Reserve banks and the European central banks with which it cooperated.**

Nevertheless, as we have noted, he was re-elected without opposition in 1932. But as the Depression deepened, so did McFadden's career prospects. Here we continue from Wikipedia:

In 1934, he made several anti-Semitic comments from the floor of the House and in newsletters to his constituents wherein he cited the *Protocols of the Elders of Zion*, claimed the Roosevelt administration was controlled by Jews, and objected to Henry Morgenthau, Jr., a Jew, becoming Secretary of the Treasury. Drew Pearson claimed in his "Washington Merry-Go-Round" column that, in a publication by the American fascist Silver Shirts, McFadden had been "extensively" quoted "in support of Adolf Hitler".

In September the Nazi tabloid *Der Stuermer* praised McFadden. He was also lauded by the publications of William Dudley Pelley, leader of the Silver Shirts, on several occasions. On election day that year he lost to Charles E. Dietrich by "about 2,000 votes". This was the only election between 1912 and 1950 when the district elected a Democrat.

We might recall that the very influential Drew Pearson was also the primary vilifier of Forrestal. In 1936, after having survived two attempts on his life in Washington, DC, one by gunshot and the other by poisoning, McFadden died at the age of 60 of a "heart attack" in a New York City hospital ten days after entering the hospital suffering from a sudden bout of "intestinal flu." [1]

As important an influential a man as he was in his day--the McFadden Act of 1927, which limited the branches of national banks to the state in which they were chartered was named for him--McFadden seems to have been virtually erased from the pages of American history, after the fashion of a purged Politburo member airbrushed out of Red Square reviewing stand photographs in the old Soviet Union. The 20thcentury U.S. history textbook that I was assigned as an undergraduate makes no mention of him, while it refers to Father Charles Coughlin four times on five pages, a man who had very similar views and spoke about them publicly.[2] Coughlin's political wings were ultimately clipped when the bishop who had supported him died and the one who replaced him ordered him to cease his political activities.

Finally, at the risk of getting even further afield from the subject of possible prominent victims of Zionism, we might add that the death of the anti-Communist Republican Senator Joe McCarthy of Wisconsin at the Bethesda Naval Hospital in 1957 of "hepatitis, acute, cause unknown" at the age of 48 is more than a little bit suspicious.[3]

March 11 - Drumpf's Zio-Fascist, Chabad-Gangster Tendencies

Please send links and comments to hmakow@gmail.com

First, I love Trump's domestic policies. I just wish they weren't designed to make Israel Strong Again.

Trump is a crypto Jew, a traitor and an imposter. His instincts are those of a gangster. His tariffs bully and strong arm America's neighbours. He has unilaterally ripped up treaties upon which billions in investments were based. He is destroying millions of jobs. His Gaza redevelopment plan is the wet dream of a corrupt NYC Jewish developer. He is cutting funding to universities that don't stop protests against Gaza genocide. He was s-elected by the Deep State to lead the US into a suicidal World War Three designed to kill millions of non-Satanists.

He has vowed to "primary" Thomas Massie a popular MAGA Congressman for not bowing down to Israel.

MAGA Slaps Back at Trump After He Attacks Their House Hero

<https://www.thedailybeast.com/maga-slaps-back-at-trump-over-their-house-hero-thomas-massie/>

Massie's more-MAGA-than-Trump stance earned the backing of many on the right who are, more often than not, in the president's corner.

"Trump can be wrong about things," said conservative commentator Matt Walsh, in a social media post. "He's wrong about Massie. It's okay to say that."

He added, in a follow-up: "You can disagree with Massie about [Johnson's continuing resolution bill]. That's fine. But the idea that he needs to be ousted from congress is just asinine."

Conservative talk radio show host Jesse Kelly wrote, in a social media post, that Massie and Rep. Chip Roy (R-TX), another fiscal hawk who has clashed with GOP leadership, would not lose primaries "because they do what they promised their voters they would do."

He then suggested Republicans in Washington could either have principles or be Trump lapdogs: "There are two routes to GOP job security: 1. Do what you promised or 2. Follow Trump around washing his golf balls."

ALEXANDER HAMILTON: BRITISH SPY NO. 7 BETRAYED AMERICA'S FLEDGLING BANKS TO HIS BANK OF ENGLAND

<https://americans4innovation.blogspot.com/2022/05/alexander-hamilton-british-spy-no-7.html>

America has never controlled her banks

British debt slavery was hardwired into American banking from 1781

Hamilton's opium-human trafficking co-conspiracy has been blacked out of American banking history; they include: Cruger, Church, Carter, Schuyler, Manning, Vaughan, Baring, Bevan, Barclays, King's College (Columbia), Johnson, the Inner Temple (London), Rothschilds and Laurens

At this same time M.A. Rothschild was funding Hessian mercenaries, the Illuminati and Sabbatian Frankism. Hamilton copied the Bank of England charter in the First Bank of the United States (1791)

Epstein victim says he and Maxwell were Jewish Supremists

<https://x.com/KeithWoodsYT/status/1898169502207979929>

<https://x.com/HarrisonHSmith/status/1897519330075504739>

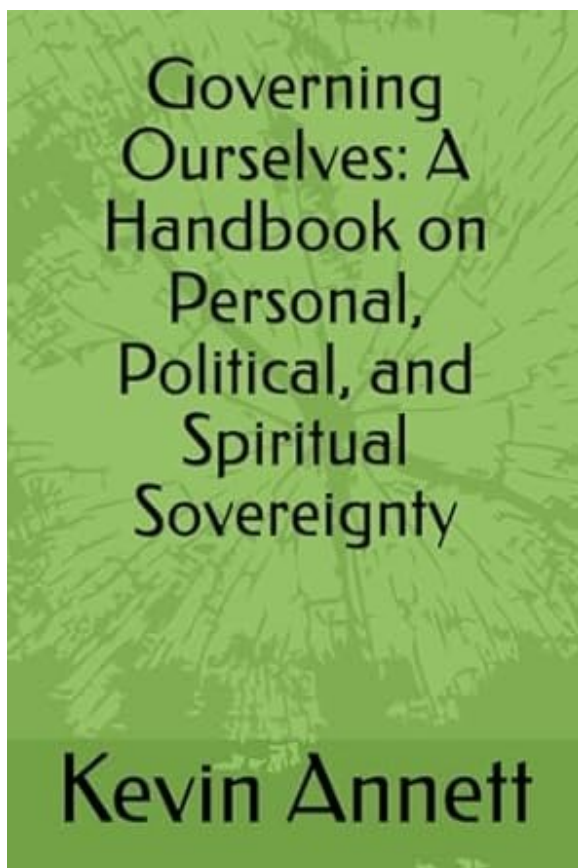

"So let me get this straight... Jeffrey Epstein never got a college degree, but was hired as a teacher by William Barr's father, then abruptly became a Wall Street banker, making billions off a single client, Lex Wexner, owner of Victoria Secret and co-founder of the Mega Group, a network of Jewish "philanthropists" along with the Bronfmans, another Jewish billionaire family associated with bizarre sex-slavery mind-controlled celebrities, who also gifted him the most expensive house in New York. His girlfriend is the beloved daughter of a notorious Israeli superspy triple-agent publishing magnate whose company controls textbook publishing and was murdered on a yacht named after Ghislaine who is also an accomplished submarine pilot and one of the most prolific Reddit super-users.

Together they groomed and abducted underage children and rubbed elbows with high-society elites, politicians, and prominent scientists who they would take to a private island featuring satanic temples of human sacrifice where they would engaged in forced sex acts with

underage kidnap victims while being recorded by an enormous array of cameras. They did this so often, his private jet became known as the "Lolita express" and Epstein became close friends with the likes of Bill Gates and Bill Clinton, who is mentioned in his papers more than anyone else, and who once introduced Epstein to one of his future victims as the "king of America." Meanwhile on his ranch in New Mexico, Epstein conducted experiments in transhumanism and DNA research, telling scientists he wanted to seed the human race with his DNA.

The fbi was photographed seizing truckloads of documents, videos, hard drives, and dvds from both Epstein's main residences. Since then, the evidence has basically disappeared, with only a small amount of heavily redacted case files released despite repeated demands by various authorities in the federal government for the FBI to hand them over.

Rothschilds fund both sides of every war

Tucker interviewed Qatar's Foreign Minister and asked why Hamas was headquartered there. Surprisingly, he stated that the US under Obama had made the request and they complied.

Thereafter, the sums delivered to Hamas under the guise of Palestine increased dramatically suggesting yet another source of siphoning for individual NGO wealth in the US.

USAID money did not go to Palestinians, it went to 'partner organizations. According to AP, the two senior officials at these 'aid groups' spoke on condition of anonymity because of the political sensitivity of the issue and of their work in Gaza. In other words they don't want to provide access to analyzing the money trail. There are 17 NGO's claiming to provide aid to Gaza.

Example: Multifaith Alliance is an NGO in New York claiming to assist Gaza. Their partners include NGO's in Israel and Syria. One such partner, Afya Foundation, spent roughly 50% of their contributions on grants - unlisted. The remainder is pocketed as salaries rent and net assets. They partner with Jewish NGO's such as the United Jewish Appeal (The Jewish Federations of North America) - whose entire mission is to help Jews. The Jewish NGO's partner with organizations that have nothing to do with aid. Such as, Sustainable and Green programs in New York via Project Hope.

TRUMP VISION FOR GAZA RESORT:

"The goyim are a flock of sheep, and we are their wolves. ...And you know what happens when the wolves get hold of the flock."

(Protocols of Zion 8)

"We have the capability to take the world down with us."

https://en.wikipedia.org/wiki/Samson_Option

https://en.wikipedia.org/wiki/Nuclear_Winter

Quotes:

"Israel has been building nuclear weapons for 30 years. The Jews understand what passive and powerless acceptance of doom has meant for them in the past, and they have ensured against it. Masada was not an example to follow--it hurt the Romans not a whit, but Samson in Gaza? What would serve the Jew-hating world better in repayment for thousands of years of massacres but a Nuclear Winter. Or invite all those tut-tutting European statesmen and peace activists to join us in the ovens? For the first time in history, a people facing extermination while the world either cackles or looks away--unlike the Armenians, Tibetans, World War II European Jews or Rwandans--have the power to destroy the world. The ultimate justice."

"We possess several hundred atomic warheads and rockets and can launch them at targets in all directions, perhaps even at Rome. Most European capitals are targets for our air force. Let me quote General Moshe Dayan: 'Israel must be like a mad dog, too dangerous to bother.' I consider it all hopeless at this point. We shall have to try to prevent things from coming to that, if at all possible. Our armed forces, however, are not the thirtieth strongest in the world, but rather the second or third. We have the capability to take the world down with us. And I can assure you that that will happen before Israel goes under."

Cheating in Early Votes is Off the Charts

[Bigger Text](#) | [Default Text](#) | [Smaller Text](#) |

October 31, 2024

Here we are, only two weeks into early voting to select the next president, and already the cheating is off the charts.

**By Mike Stone
(henrymakow.com)**

Ballots in Wisconsin, Virginia, and other states have either obscured or purposely misspelled Donald Trump's name. Is that to make those ballots unreadable by the rigged voting machines? Are they fake ballots?

Three counties in Pennsylvania have been busted for fraudulent mail ballot request forms. And those are just the ones who have been caught. <https://www.thegatewaypundit.com/2024/10/third-county-pennsylvania-finds-fraudulent-mail-ballot-request/>

In other parts of Pennsylvania, American citizens, waiting in line for hours to vote, have been forced to watch as van loads of non-English speaking illegal aliens are escorted inside of the polling precinct ahead of them to cast their own votes.

<https://www.thegatewaypundit.com/2024/10/frustration-boils-as-pennsylvania-voters-witness-non-english/>

Voting lines in Republican counties have been shut down early: <https://www.thegatewaypundit.com/2024/10/voter-suppression-bucks-county-emergency-services-shuts-down/>

A Pennsylvania GOP committeewoman was handcuffed and arrested for telling frustrated citizens to stay in line and vote: <https://www.thegatewaypundit.com/2024/10/breaking-pennsylvania-gop-committeewoman-taken-away-handcuffs->

encouraging/

And an ABC news station aired a "test result"

showing Harris winning Pennsylvania by a margin of 52%-47%:

<https://www.thegatewaypundit.com/2024/10/interesting-timing-local-abc-news-station-mistakenly-leaks/>

Jerome Corsi writes that the Georgia State Board of Elections creates illegal voter IDs by the thousands:

https://www.americanthinker.com/articles/2024/10/does_georgia_s_algorithm_create_fake_voters

In Texas, half-a-dozen arrests have already taken place for people charged with "vote flipping," while "ballot mules" in Pennsylvania have also been arrested.

And bear in mind, this is just the opening salvo.

Cheating is the only way the Democrats can win. They know it. We know it. They know that we know it. Yet they continue to do it, in part, because they know the American people will take it. And because they just can't help themselves. Cheating, lying, and stealing elections is in their nature. Remember the story of the scorpion and the frog?

Democrats are especially prone to cheat in this election, because Donald Trump is leading in every poll, and not by a little, but by a lot. Add "Garbagegate" and Trump working the fry cooker at McDonald's to the mix and the Dems are in full-out panic mode.

Who's ultimately behind all the cheating? In this five minute video, an Israeli company brags about rigging presidential elections for money. They are only one team out of many doing this. <https://x.com/i/web/status/1851356742044491854>

How many of these companies have been hired to help steal the 2024 presidential election?

Get your popcorn ready. You ain't seen nothing yet.

Martin Armstrong - the UN's Goal is Communist Tyranny 17.8. 2024

Reply from Savvy Granny

Well it certainly is.

However, the UN is just the transitional decoy, the bogey 'supranational order' (Protocols of Zion 5.11). Its task is masonry, that is building the international entity which will complete the projected world order. And its task is destruction - the global depop, the

destruction of nations through its climate dicta, immigration dicta, PHEICdemics, bioweapons, overseeing the communist tyranny of its regime-changed member nations.

The completed world order will be the Judaic Anti-Christ World Soviet (JAWS) under Noachide Law with all the 'smart goy masons' executed - the ones who were instrumental in the bogey 5.11. They got the Jubela, Jubelo, Jubelum script in the destruction.

Remember the French Revolution, [which alone we call 'Great' in some translations]for the secrets of its preparation are well known to us. It was entirely the work of our hands. (Protocols of Sion III.14)

The Supreme Soviet may have been dissolved Dec 1991, so it is no longer the base of the Great Revolution - the permanent world-wide revolution [now in its global, communist totalitarian phase].

Before it was dissolved the Supreme Soviet elected Gorbachev to its praesidium and he promptly took up residence at the Praesidio in San Francisco as the supremo of the UN - the one who dictates to the Secretary General. Under the Gorbachev Praesidium, UN Agenda 21 was adopted 1992 and he also founded the Earth Charter Commission with Maurice Strong 1997. The EC was founded 2000 for the destruction of the Western societies and economies .

The Khazarian dynastic families of the Central Banking Cartel [the owners of this Money Trust] own the Revolution, own the UN and all its multi-lateral partners as well as the manufactured billionaires which are both Zionist (Western) and Communist (Eastern Bloc) assets of the Revolution.

The WEF founded by Schwab 1971 officially with Henry Kissinger (unofficially). Its counterpart for the JAWS Eurasian Agenda is the SPIEF founded by Henry Kissinger (unofficially) 1997. The SPIEF was instrumental in establishing the Eurasian Economic Union for the Communist / Islamic Bloc 2014. Along with the EU(ssr) and the Global Preparedness Monitoring Board - these are the chief 'multi-lateral' partners of the UN which handle its international operations over the captured / subverted member nations to serve UN Agenda and Earth Charter Dicta.

These lands are ancient Jewish Khazaria, that is Israel. Slavs are temporary guests and subject to eviction. We will build the Great Khazaria - the Jewish state - on these fertile lands the same way as we created Israel, squeezing Palestinians out. Israelis will partially relocate here, and we will drive Slavic cattle out."
